## THE WALL OF RESISTANCE

Many of the boys at our home, was subjected to the short end of the stick when it comes to the unconditional love. And therefor it is difficult for them to show love. They shy away from hugs and often tend to push boundaries as they know all adults that have been involved in their lives up to this stage, have either abandoned, used, or abused or neglected them.

Hence, they struggle to trust adults. Therefor we urge people who want to volunteer or run a programme with our boys- Please do not disappoint them – please continue to show up even if it is just 4-5 boys – but please show them that you will go the extra mile for them.

OUR GOALS AND PLANS 2022

## CHRISTMAS IS A TIME TO SHOW LOVE

Christmas is for many a joyful time, spent with family and friends. Getting presents and laughing and singing as they travel to their loved ones.

But for others, when Christmas comes, they hope that they could spend with their loved ones and in some children's case, they are forgotten.

Please drop off a gift for a boy aged 13-17 – between the 16<sup>th</sup> of December to the 21<sup>st</sup> of December that we can give them on Christmas morning. Call us to collect or drop of at our offices. Bring a smile to the face of a young boy who might not be able to fully enjoy the wonders of Christmas as we do.

Wishing all our sponsors, donors, neighbours and friends, a **MERRY CHRISTMAS & A PROSPEROUS NEW YEAR!**
