June -July Holiday- Chrysalis Camp

The school holidays are upon us and the boys received their reports – some of them excited because they will be able to go home for the school holiday – but first our Camp weekend with Chrysalis Academy.

The Chrysalis team lead by Mr Moses Piet together with Abongile gave the boys of our home a great treat-

- Exposing them to nature through a hike
- Fun time with games and activities
- Zip lining

The weather hampered some of the activities planned because we were looking forward to the Night hike – that had to be cancelled -as well as the Rock climbing and activities by the Dam.

SPECIAL THANKS TO EVERYONE WHO MADE THIS WEEKEND A SUCCESS.

ON THIS ROAD CALLED LIFE

You must take the good with the bad,
Smile with the sad,
Love what you got,
Remember what you had.
Always forgive, but never forget,
Make mistakes, but learn from them.
People change, things go wrong,
But remember this,
THE RIDE GOES ON.....

Sea world – Visit to Aquarium

Vrolike Groepe, Pre grade R children had a visit to the V & A Waterfront Aquarium – the children were excited and loved seeing the array of different sea creatures. Part of the visit was a Puppet show encouraging children to “keep the beaches clean” as so many sea animals face the inevitable due to sea pollution. So, we are encouraging all the moms and dads out there to also be an example to the children and not mess at the beach when we go during the holidays or weekends.

Keep our beaches clean!
